

Components, Valves and Assemblies 195 Algonquin Road Des Plaines, Illinois 60016-6197 Telephone 847-299-2222 FAX 847-390-8727

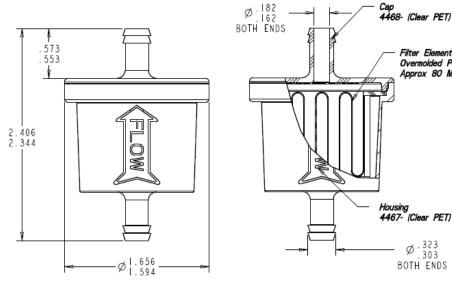

Part No. 8437 (FF861C) **Technical Specification**

Filter Element 5469-Overmolded Paper Approx 80 Micron

 $\emptyset_{.303}^{.323}$ BOTH ENDS

Performance Properties	Typical Value
Hose Barb Size	5/16"
Fuel Line Recommendation	1/4"
Flow Rate (gal/hr) w/ 3 1/2" Fluid Head	4.6
Average Micron Rating	80
Component Materials	Housing: Clear PET (E-85 compatible) Filter Media: Polymer Treated Paper Cap: Clear PET (E-85 compatible)
